MILITIA BANQUETS

FORMER SOLDIER EXPLAINS THE NEEDS OF GUARDSMEN HERE.

STIR UP ENTHUSIASM

"Get-Together" Session of Company F Showed Reviving Spirit—Speaker Advises Athletics and Ranges

Impetus for a larger and better national guard company in Maryville and of more improved facilities for the guardsmen, was started rolling in good shape last night when forty members of Company F, Fourth Regiment, National Guards of Missouri, met in social session at the armory. Not for months did the members appear so enthused with the idea for a bigger and better company here, and seem so willing to assist in this movement.

Perhaps it was the rather "hefty" banquet of baked beans, oysters and a host of other edibles prepared by Mess Sergeant Claude Wilson and the lengthy and strenous out-of-doors drill that keyed the boys up. At any rate the "pep" was there in large quantities and it found outlet in the "amens" that followed every encouraging sentence of the orators.

"Veteran Talks"

W. H. Gilbert was toastmaster, and a right fine one he made too. With the clearing away of the steaming "left-overs" at 9:30 o'clock Toastmaster Gilbert, majestically and progressively arose, bowed and made a short speil. It was all his own. It first started the boys to looking ahead into a bright future, and as the smoke from a half-hundred cigars rolled upwards, Company F was in its glory.

But the speech that followed by Harry Snyder, assistant cashier of the Farmers Trust company, turned the trick. Snyder, it might be mentioned was a volunteer in the Fourth Regiment Missouri volunteers, during the Spanish-American war, was at one time captain of Company I, National Guards at Albany and lastly was a member of old Company E of Maryville

Suggests Improvements.

Snyder, talked in a general way, relative to the welfare of the National Guards and particularly of Company F. He then suggested the installation of gymnastic exercises in the armory, particularly that kind that would especially be of direct benefit in national guard work and training.

The establishment of a fifty-foot indoor target range here, and of a 200, 300 and 600 yards rifle range near Maryville, or the use of the guardsmen also was suggested and tentative plans outlined for the general improvement of the local militia company and and of the individuals comprising it.

Fred Smith of the Seiler & Smith restaurant, also spoke at the banquet. Mr. Smith did not confine his address to a set topic. He spoke in a general way relative to national guard work and of its benefit in a community.

Lieutenant Loren Demotte, at the head of Company F since the resignation of Captain Ezra Phipps last fall, presided at the banquet and also conducted the drill of the company preceding the social session.

'IS GOD OF COMPASSION'

Baptist Evangelist Says Hardest Thing is to Give Up Sin.

Evangelist A. E. Burch last night continued his subject of the prodigal son at the First Baptist church revival to a large crowd. His subject was "A Father's Compassion."

"There is an expression abroad that the hardest thing that a man has to do is to become a Christian. The hard thing to do is to give up the way of sin, to let loose of our own stubborn will.

"The father was waiting to welcome the prodigal son home. He was a way off, and when he saw the son he ran and threw his arms around his neck and kissed him and had compassion on him. The father isn't angry at the sinner, he is angry at the sin. The father is always waiting to welcome us home.

"What is compassion? Compassion is feeling for another. It is putting yourself in another's place and then feeling for him. We need to remember that God is a God of compassion.

"I don't believe that there is a man who hears me tonight that can't take God into his heart if he will but give up. Oh, come back from the far country now, before it is too late. There is a father full of compassion waiting to welcome you. Jesus never turned a man away and never will. It may have been away back in the years that you felt God calling you and refused Him. That call will never come again. You may come to God, but you will have to seek Him. You will have to do the coming. Once He was your guest, now you will invite Him. He never forces himself upon any man's heart or never will.

"The trouble with our churches today, I think, is that there isn't one in a hundred of us that appreciates God's compassion in saving us. If we think it is simply a nice thing to join the church, then we better stay out.

"There is only one think to do and that is to get right with God. We don't appreciate God's mercy and compassion. All that's worth anything to men in this life is to stand for God. God wants us to succeed. He is a God that loves us more than our earthly father loves us.

"When Adam and Eve sinned they ran and hid from God, and God came and sought them. It is not men that seek God, but God seeks men, and so it always has been. God loves men.

"He stands ready to welcome the wanderer back. He loves to comfort them, too. Don't think God is not anxious about the return of the wanderer. He is more anxious about that than anything else. He is a God of compassion.

CHURCH ADDED 3 LAST NIGHT.

Buchanan Street Methodist Revival Causes 7 Additions and 11 Conversions.

The evangelist meeting last night at the Buchanan street Methodist church resulted in two conversions and three additions. This makes a total of seven additions to the church. Four have been converted who have not joined the church.

The text was II Corinthians 6:2—"Behold now is the day of salvation."

"Now is the accepted time," began Mr. Llewellyn, evangelist, "Now is God's time. Now is the safe time. Now is the only safe time. We know not what a day will bring forth. He who puts off until tomorrow what he should do today never prospers in any business.

"We might lose all by one moment's delay. God will excuse us the last time. That time might be now. Every time we put off our hearts are harder and our habits stronger.

Evangelist Llewellyn will preach tomorrow night on "Jonathan and David," and Saturday night on "The Temple." Odd Fellows and Masons are especially invited to come.

NORMAL WON 27-23

STRONG TARKIO COLLEGE BASKET BALL TEAM FALLS.

IS FIRST DEFEAT HERE

Heretofore Invincible Quintet Outclassed Throughout Contest by Local Players.

The State Normal school of Maryville defeated Tarkio college at basket ball last night at the Normal gymnasium for the first time in the history of the school. The fans have always said that the Tarkio "jinx" has camped on the Normal school's trail. Many times the dope had it that the Normal had the superior team. This year Coach Hanson believed that his team would defeat Tarkio, and they vindicated his judgment in winning from Tarkio by a score of 27 to 23.

Although the train bringing the Tarkio team was nearly two hours late, the gymnasium was packed with spectators from 8 o'clock until 9:40, when the game commenced. A preliminary game was put on by members of the Normal second team in the meanwhile, which furnished considerable amusement for the spectators.

Keep Lead Throughout.

The Normal-Tarkio game started with a rush, Vandersloot scoring two points from the foul line in rapid succession, and in short order the green and white warriors had piled up a lead of five or six points, which they maintained throughout the entire game. The first half ended 16 to 10 in favor of the locals.

The second half was practically a repetition of the first in scoring, although the Tarkio team showed some very pretty team work several times, only to have it broken up when the ball got into their territory.

For the visitors, Thomas, Peterson and Hawthorne played a splendid game. When Coach Hanson was asked who played the best game for the Normal school, he said: "There was no certain star; they were all stars."

The fact that the Maryville team played well together was evidenced by the fact that every man on the team scored practically together from the field.

Make Some Good Plays.

McClintock played a great defensive game and broke up play after play under the Tarkio basket. Although Vandersloot was closely guarded, he performed well, making several difficult shots. Scarlett was always on the aggressive and was in the game every minute. Leech played the shifty game of which he is so capable, and proved an enigma to his opponents. Scott played a strong defensive game. Quinn added new life to the team in the second half and scored two pretty goals from the field.

The game was clean throughout and the work of George Palfreyman, captain of the Missouri university team, as referee, was of the highest order.

The student leaders are already making preparations for the William Jewell game, which is to be played in the Normal school gymnasium Saturday, January 23. a half holiday was declared at the Normal this afternoon, that they might practice for the coming fray.

There was a splendid exhibition of school spirit by the students last night and the school yells, under the direction of Miller, Cummins, McPherron and Powell, was an inspiration to the team.

Have Loyal Support.

Many townspeople and high school students attended the game. They loyally supported the home team, although good plays by Tarkio were always applauded. Summary:

TO CLEAN UP CITY

WOMEN'S CLUBS SELECT COMMITTEE FOR ANNUAL SPRING WORK

SHOW FILMS FOR FUND

Popular Women's Story Will Be Shown for Club Benefit—Women Prepare for Magazine Day.

To insure no possibility of a lag in the city annual spring clean-up, the Federation of Women's Clubs appointed a committee at its meeting yesterday to start the movement. This committee is composed of Mrs. G. H. Colbert, chairman; Mrs. Berney Harris, Mrs. E. G. Orear, Mrs. W. C. Van Cleve and Miss Jessie Parcher. The unusual stormy weather of the two months past has made conditions more unsightly in many places, which is one reason the women are planning to get the work started this year earlier than usual.

"Your Girl and Mine," a filmized story, showing in pictures the more important questions regarding women's work which have been in agitation during recent years, will be shown at the Fern theater on the night of February 1 for the benefit of the Federation fund. The picture is considered interesting and highly educational.

At the meeting yesterday special stress was also given to plans for "Magazine day," which the women expect to make an annual affair. Two collections have already been made in the business section, and the day for canvassing and gathering up the collections in the residence district will be set as soon as the weather and road condition will permit. The members of the magazine committee are very anxious that all magazines will be held until such time as they can be taken up.

SENIORS PRESENT PLAY

Give Annual Commencement Event Tomorrow—Dr. Murphy Will Speak.

The high school class play, one of the important events of commencement week, will be given tomorrow afternoon at the school auditorium.

All classes for the day will be dismissed and the various departments will cease study for the privilege of attending the exercises.

The program will begin at 2:30 o'clock. The opening number will be a quartet by Marie Shipps, Leah Norris, Jesse Miller, Jr., and Jesse Strader. Following will be the reading of the class paper, "Advice to Beginning Seniors," by James Gray.

The class play, "The Man from Brandon," is a clever little sketch, to which the seniors have given careful preparation.

The character parts will be taken by Jesse Miller, Jesse Strader, Leah Norris, James Gray, Nina Bent, Marie Shipps, Ruth Foster and Roine Gray. The others of the cast have been selected from the students of the English department. A quartet will be the closing number, after which Jesse Miller, class president, will present to the school a piece of statuary, to be placed in the auditorium.

The class address will be given tomorrow evening in the auditorium by Dr. George S. Murphy, pastor of the English Lutheran church of St. Joseph.

LOCAL NORMAL FARES WELL

State Junketing Committee Cuts Less from Maryville Institution Appropriation Than Any.

The State Normal school here has fared well so far at the hands of the state junketing committee, of which Senator Anderson Craig is chairman, in its request for state appropriation for the next biennial period. In the report of the committee submitted yesterday afternoon, the amount sought by the Maryville Normal was reduced but $500, while some state institutions will get seceral hundred thousand less than sought.

The Normal asked for $170,820, while the committee recommends the appropriation of $170,320. The most notable feature of the report is that it cuts down the amount of money asked by every one of the twenty-eight state institutions, save the state poultry experiment station at Mountain Grove.

The management of all the state institutions is most highly recommended.

Senator Anderson Craig of Nodaway county has been appointed chairman of the appropriations committee of the state senate. As chairman of this committee of the legislature, he will direct the appropriations to the various state institutions, among them being the State Normal school here.

COLLECTS $88,643 IN TAX

Treasurer Takes in Big Amount for State, County and Infirmary.

A total of $88,643.64 in taxes has been collected by County Treasurer W. R. Tilson the last two months, nearly all of it during December. It is derived from the merchants' occupation tax of $7,104.76; public utility tax of $31,078.67, and a certain portion of the entire county tax on real estate and personal property.

Of this total amount three divisions are made. The state treasury will receive $25,424.59, the county $57,047.58, and the county infirmary alone $6,148.58. The state fund will be sent out either tonight or tomorrow.

This represents nearly the entire amount Treasurer Tilson will receive for the 1914 tax, although there is nearly $800 in merchants' occupation tax outstanding yet, compared to only half that much at that same date last year. It is secured by bonds, however.

Slow to Pay Taxes.

The entire public utility tax is in. This is derived from the three railroads in Nodaway county, and the telegraph and telephone companies doing business within the confines of the county.

The remainder of the county tax is received and reported on by County Clerk Fred J. Yeomans. The totals there for the remainder of the divisions is not yet finished. The report of the various township collectors was slow, many of them failing to turn in collections until the time limit had expired Monday. This was caused by an unusual tardiness this year of property owners in making tax payments.

That the tax derived this year from various sources shows a healthy growth over that of last year is shown through the fact that the merchants' occupation tax last year was but $6,558.97, and the public utility tax was $29,219.56.

The county tax also is larger by several thousand dollars.

FIRST NATIONAL RE-ELECTS.

No Changes at Annual Election—Farmers Trust Company Elects Tomorrow.

No change of officers was made at the annual election held by the First National bank Tuesday afternoon. The present officers are: Joseph Jackson, Sr., president; C. C. Corwin, vice president; S. G. Gillam, vice president; Joseph Jackson, Jr., cashier.

The Farmers Trust company will hold its annual election at 4 o'clock tomorrow afternoon. Few if any changes are expected to be made in the list of officers.

The year of the Real Estate bank will not end until next June. The annual elections of the Nodaway Valley bank are held in April.

Father is Curator.

William Steinhouser of near Stanberry was appointed curator of the estate left in trust for his seven minor children by Probate Judge W. H. Conn this afternoon. There are four sons and three daughters.

QUAKE KILLS 5,000

ITALIAN SHOCK DESTROYS TOWNS IN NORTH PART.

AUSTRIAN LEADER QUITS

One of War's Precipitaters resigns as Foreign Minister—Hungarian to Succeed Him.

Rome, Jan. 14.—The victims of the earthquake disaster, according to the latest reports received here today, number about 5,000 dead and many thousand wounded. Further distinct earth shocks were felt in Rome about 3 o'clock this morning. In several quarters of the city the people fled from their houses in terror.

The shock was the strongest Rome has felt in more than 100 years. The town of Avezzano, in the Abruzzi department, sixty-three miles east of Rome, has been leveled to the ground. In many small towns surrounding Rome buildings were partially wrecked, while at Naples a panic occurred and houses fell at Caserta, a short distance to the east.

From below Naples in the south in Ferrera in the north, a distance of more than 300 miles, and across almost the width of the country, the undulatory movement continued for a considerable period.

Vienna, Austria, Jan. 14.—The resignation of Count Leopold Von Berchtold, as Austrian foreign minister, yesterday, and the appointment of Baron Stephen Burian, a Hungarian, to succeed him, indicates here that the fear of dissolution of the dual monarchy of Austria-Hungary is bridged for the present at least.

It is also believed the dissatisfaction of the Hungarian people forced the retirement of Count Berchtold. He was one of the prime movers in Austria's declaration of war against Servia, the event which finally involved all of Europe.

MRS. JAMES B. MOORE DIES.

Succumbs Last Night to Three Years' Illness—Holds Funeral Tomorrow.

Following an illness of three years, Mrs. James B. Moore, aged 71, died at 9 o'clock last night at the family home, northwest of the city. For the past eight months of her illness Mrs. Moore had been bedfast.

The funeral services will be held at 10:30 o'clock tomorrow morning at the home, conducted by the Rev. Gilbert S. Cox, pastor of the First Methodist church. The body will be interred in the Cain cemetery, beside those of three sons, who died a number of years ago.

Mrs. Moore was born in Ohio. Her maiden name was Susan Coons. After her marriage to Mr. Moore in Ohio, her home was made there for a few years, and in 1878 they came to Nodaway county to reside, and have made their home since that time on a farm about four miles northwest of the city. She is survived by her husband and four sons. The sons are Claude Moore of Maryville, Charles Moore, living at home; John and Albert Moore of Mitchell, Neb. She is also survived by a sister, who lives at Windfall, O.

William A. Moore of St. Joseph, a brother of Mr. Moore, arrived in the city today to attend the funeral.

HIGH SCHOOL PLAYS BENTON

Basket Ball Players Have Final Rehearsal Today for Big Contest Tonight.

All is in readiness for the big basket ball game to be played at the Normal gymnasium, beginning at 8 o'clock tonight, between the Maryville high school basket ball team and the team of the Benton high school at St. Joseph It will be the opening game of the St. Joseph quintet, while Maryville has played two, both with Albany.

That the local players are in good condition and that they will put up a stubborn fight is the opinion and expression of Prof. H. B. Polson, athletic director at the high school. "I have little doubt but that we will win, though by probably a close score," said Prof. Polson this morning. "But if the showing made the last few days by the local quintet while training are indicative of anything, the Benton team will start their tourney with a defeat."

Practice for Fray Today.

As the high school students were dismissed today on account of it being the end of the first semester, the athletes will put in the time with a final rehearsal for tonight's contest.

These probably will comprise the local team line-up tonight: Jesse Strader, Frey Gray and Kenneth Van and Kenneth Van Cleve, forwards; Cleve, forwards; Homer Scott, center; Harley Hughes, Jesse Miller and Joseph Farmer, guards.

The line-up of the Benton high school team, as given tentatively, will be: Mastellar, center, Lollis and Cole, forwards; McKamey and Utz, guards; Wells and Goodman, substitutes.

H. C. Billman, who has succeeded Walter Hanson, the Normal school athletic director, as coach of the Benton team, and several "rooters" will come here at noon today over the Burlington to attend tonight's game.

Play Tarkio Next.

But one other game has so far been definitely arranged by the Maryville basket ball team. It is to be played with the Tarkio high school team February 6. The teams of the Skidmore, Mound City, King City and Chillicothe high schools are seeking games with the local team, and it is probable several will be granted, especially two with Chillicothe.

The proposed "curtain raiser" at 7 o'clock between the second Normal team and the Guilford team has been called off.

Patients Return Home.

Charles Sanks, an engineer of Creston, Ia., and Mr. and Mrs. Andrew Noakes of Fort Dodge, Ia., who have been spending several weeks at the infirmary of Dr. D. C. Wilson, while being treated for rheumatism, left for their homes today. All are entirely cured of their trouble. d14-w2

"TIZ" EASES TIRED, SORE, SWOLLEN FEET

Nothing Like "TIZ" for Aching, Sweaty Calloused Feet and Corns—"TIZ" is Glorious!

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off. Why don't you get a 25-cent box of "TIZ" from the drug store now and gladden your tortured feet?

"TIZ" makes you feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "TIZ" instantly stops pain in corns, callouses and bunions. "TIZ" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot torture.

FAILS TO REPORT ASSESSMENT.

Lincoln Values Unknown, Though Time Limit is Past—Correct Union Books.

With the time limit expired by several days, M. L. Russell, assessor for Lincoln township, Nodaway county, has so far failed to make any report to County Clerk Fred J. Yeomans of the assessment of Lincoln township property for 1914. No reason for the delay has been advanced by Russell, it is said.

The assessment of Union township property also has had to be corrected in several instances, it is said. Harry Lett is assessor in that township.

With these two exceptions the 1914 township assessments have been reported. Most of them show an increase in both real estate and personal property values.

Probate Court February 8.

TAKES OFF DANDRUFF HAIR STOPS FALLING.

Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Mrs. A. T. Drennon, living north of Pickering, spent the day the guest of Mr. and Mrs. John Young.

MILITIA BANQUETS

FORMER SOLDIER EXPLAINS THE NEEDS OF GUARDSMEN HERE.

STIR UP ENTHUSIASM

"Get-Together" Session of Company F Showed Reviving Spirit—Speaker Advises Athletics and Ranges

Impetus for a larger and better national guard company in Maryville and of more improved facilities for the guardsmen, was started rolling in good shape last night when forty members of Company F, Fourth Regiment, National Guards of Missouri, met in social session at the armory. Not for months did the members appear so enthused with the idea for a bigger and better company here, and seem so willing to assist in this movement.

Perhaps it was the rather "hefty" banquet of baked beans, oysters and a host of other edibles prepared by Mess Sergeant Claude Wilson and the lengthy and strenous out-of-doors drill that keyed the boys up. At any rate the "pep" was there in large quantities and it found outlet in the "amens" that followed every encouraging sentence of the orators.

"Veteran Talks"

W. H. Gilbert was toastmaster, and a right fine one he made too. With the clearing away of the steaming "left-overs" at 9:30 o'clock Toastmaster Gilbert, majestically and progressively arose, bowed and made a short speil. It was all his own. It first started the boys to looking ahead into a bright future, and as the smoke from a half-hundred cigars rolled upwards, Company F was in its glory.

But the speech that followed by Harry Snyder, assistant cashier of the Farmers Trust company, turned the trick. Snyder, it might be mentioned was a volunteer in the Fourth Regiment Missouri volunteers, during the Spanish-American war, was at one time captain of Company I, National Guards at Albany and lastly was a member of old Company E of Maryville

Suggests Improvements.

Snyder, talked in a general way, relative to the welfare of the National Guards and particularly of Company F. He then suggested the installation of gymnastic exercises in the armory, particularly that kind that would especially be of direct benefit in national guard work and training.

The establishment of a fifty-foot indoor target range here, and of a 200, 300 and 600 yards rifle range near Maryville, or the use of the guardsmen also was suggested and tentative plans outlined for the general improvement of the local militia company and and of the individuals comprising it.

Fred Smith of the Seiler & Smith restaurant, also spoke at the banquet. Mr. Smith did not confine his address to a set topic. He spoke in a general way relative to national guard work and of its benefit in a community.

Lieutenant Loren Demotte, at the head of Company F since the resignation of Captain Ezra Phipps last fall, presided at the banquet and also conducted the drill of the company preceding the social session.

ADDRESS FARMERS TODAY.

Nodaway County Leaders Speak at Country Life Conference at Columbia.

Prof. J. E. Cameron of the State Normal and the Rev. C. R. Green, pastor of the Harmony church, will address the Country Life conference to be held in connection with "Farmer's Week" at Columbia today.

Prof. Cameron is scheduled to speak tonight on "Birds, and Their Relation to Agriculture." Mr. Green speaks tonight on "The Harmony Community."

Sells Then Rebuys.

'IS GOD OF COMPASSION'

Baptist Evangelist Says Hardest Thing is to Give Up Sin.

Evangelist A. E. Burch last night continued his subject of the prodigal son at the First Baptist church revival to a large crowd. His subject was "A Father's Compassion."

"There is an expression abroad that the hardest thing that a man has to do is to become a Christian. The hard thing to do is to give up the way of sin, to let loose of our own stubborn will.

"The father was waiting to welcome the prodigal son home. He was a way off, and when he saw the son he ran and threw his arms around his neck and kissed him and had compassion on him. The father isn't angry at the sinner, he is angry at the sin. The father is always waiting to welcome us home.

"What is compassion? Compassion is feeling for another. It is putting yourself in another's place and then feeling for him. We need to remember that God is a God of compassion.

"I don't believe that there is a man who hears me tonight that can't take God into his heart if he will but give up. Oh, come back from the far country now, before it is too late. There is a father full of compassion waiting to welcome you. Jesus never turned a man away and never will. It may have been away back in the years that you felt God calling you and refused Him. That call will never come again. You may come to God, but you will have to seek Him. You will have to do the coming. Once He was your guest, now you will invite Him. He never forces himself upon any man's heart or never will.

"The trouble with our churches today, I think, is that there isn't one in a hundred of us that appreciates God's compassion in saving us. If we think it is simply a nice thing to join the church, then we better stay out.

"There is only one think to do and that is to get right with God. We don't appreciate God's mercy and compassion. All that's worth anything to men in this life is to stand for God. God wants us to succeed. He is a God that loves us more than our earthly father loves us.

"When Adam and Eve sinned they ran and hid from God, and God came and sought them. It is not men that seek God, but God seeks men, and so it always has been. God loves men.

"He stands ready to welcome the wanderer back. He loves to comfort them, too. Don't think God is not anxious about the return of the wanderer. He is more anxious about that than anything else. He is a God of compassion.

CHURCH ADDED 3 LAST NIGHT.

Buchanan Street Methodist Revival Causes 7 Additions and 11 Conversions.

The evangelist meeting last night at the Buchanan street Methodist church resulted in two conversions and three additions. This makes a total of seven additions to the church. Four have been converted who have not joined the church.

The text was II Corinthians 6:2—"Behold now is the day of salvation."

"Now is the accepted time," began Mr. Llewellyn, evangelist, "Now is God's time. Now is the safe time. Now is the only safe time. We know not what a day will bring forth. He who puts off until tomorrow what he should do today never prospers in any business.

"We might lose all by one moment's delay. God will excuse us the last time. That time might be now. Every time we put off our hearts are harder and our habits stronger.

Evangelist Llewellyn will preach tomorrow night on "Jonathan and David," and Saturday night on "The Temple." Odd Fellows and Masons are especially invited to come.

NORMAL WON 27-23

STRONG TARKIO COLLEGE BASKET BALL TEAM FALLS.

IS FIRST DEFEAT HERE

Heretofore Invincible Quintet Outclassed Throughout Contest by Local Players.

The State Normal school of Maryville defeated Tarkio college at basket ball last night at the Normal gymnasium for the first time in the history of the school. The fans have always said that the Tarkio "jinx" has camped on the Normal school's trail. Many times the dope had it that the Normal had the superior team This year Coach Hanson believed that his team would defeat Tarkio, and they vindicated his judgment in winning from Tarkio by a score of 27 to 23.

Although the train bringing the Tarkio team was nearly two hours late, the gymnasium was packed with spectators from 8 o'clock until 9:40, when the game commenced. A preliminary game was put on by members of the Normal second team in the meanwhile, which furnished considerable amusement for the spectators.

Keep Lead Throughout.

The Normal-Tarkio game started with a rush, Vandersloot scoring two points from the foul line in rapid succession, and in short order the green and white warriors had piled up a lead of five or six points, which they maintained throughout the entire game. The first half ended 16 to 10 in favor of the locals.

The second half was practically a repetition of the first in scoring, although the Tarkio team showed some very pretty team work several times, only to have it broken up when the ball got into their territory.

For the visitors, Thomas, Peterson and Hawthorne played a splendid game. When Coach Hanson was asked who played the best game for the Normal school, he said: "There was no certain star; they were all stars."

The fact that the Maryville team played well together was evidenced by the fact that every man on the team scored practically together from the field.

Make Some Good Plays.

McClintock played a great defensive game and broke up play after play under the Tarkio basket. Although Vandersloot was closely guarded, he performed well, making several difficult shots. Scarlett was always on the aggressive and was in the game every minute. Leech played the shifty game of which he is so capable, and proved an enigma to his opponents. Scott played a strong defensive game. Quinn added new life to the team in the second half and scored two pretty goals from the field.

The game was clean throughout and the work of George Palfreyman, captain of the Missouri university team, as referee, was of the highest order.

The student leaders are already making preparations for the William Jewell game, which is to be played in the Normal school gymnasium Saturday, January 23. a half holiday was declared at the Normal this afternoon, that they might practice for the coming fray.

There was a splendid exhibition of school spirit by the students last night and the school yells, under the direction of Miller, Cummins, McPherron and Powell, was an inspiration to the team.

Have Loyal Support.

Many townspeople and high school students attended the game. They loyally supported the home team, although good plays by Tarkio were always applauded. Summary:

TO CLEAN UP CITY

WOMEN'S CLUBS SELECT COMMITTEE FOR ANNUAL SPRING WORK

SHOW FILMS FOR FUND

Popular Women's Story Will Be Shown for Club Benefit—Women Prepare for Magazine Day.

To insure no possibility of a lag in the city annual spring clean-up, the Federation of Women's Clubs appointed a committee at its meeting yesterday to start the movement. This committee is composed of Mrs. G. H. Colbert, chairman; Mrs. Berney Harris, Mrs. E. G. Orear, Mrs.W. C. Van Cleve and Miss Jessie Parcher. The unusual stormy weather of the two months past has made conditions more unsightly in many places, which is one reason the women are planning to get the work started this year earlier than usual.

"Your Girl and Mine," a filmized story, showing in pictures the more important questions regarding women's work which have been in agitation during recent years, will be shown at the Fern theater on the night of February 1 for the benefit of the Federation fund. The picture is considered interesting and highly educational.

At the meeting yesterday special stress was also given to plans for "Magazine day," which the women expect to make an annual affair. Two collections have already been made in the business section, and the day for canvassing and gathering up the collections in the residence district will be set as soon as the weather and road condition will permit. The members of the magazine committee are very anxious that all magazines will be held until such time as they can be taken up.

SENIORS PRESENT PLAY

Give Annual Commencement Event Tomorrow—Dr. Murphy Will Speak.

The high school class play, one of the important events of commencement week, will be given tomorrow afternoon at the school auditorium.

All classes for the day will be dismissed and the various departments will cease study for the privilege of attending the exercises.

The program will begin at 2:30 o'clock. The opening number will be a quartet by Marie Shipps, Leah Norris, Jesse Miller, Jr., and Jesse Strader. Following will be the reading of the class paper, "Advice to Beginning Seniors," by James Gray.

The class play, "The Man from Brandon," is a clever little sketch, to which the seniors have given careful preparation.

The character parts will be taken by Jesse Miller, Jesse Strader, Leah Norris, James Gray, Nina Bent, Marie Shipps, Ruth Foster and Roine Gray. The others of the cast have been selected from the students of the English department. A quartet will be the closing number, after which Jesse Miller, class president, will present to the school a piece of statuary, to be placed in the auditorium.

The class address will be given tomorrow evening in the auditorium by Dr. George S. Murphy, pastor of the English Lutheran church of St. Joseph.

LOCAL NORMAL FARES WELL

State Junketing Committee Cuts Less from Maryville Institution Appropriation Than Any.

The State Normal school here has fared well so far at the hands of the state junketing committee, of which Senator Anderson Craig is chairman, in its request for state appropriation for the next biennial period. In the report of the committee submitted yesterday afternoon, the amount sought by the Maryville Normal was reduced but $500, while some state institutions will get seceral hundred thousand less than sought.

The Normal asked for $170,820, while the committee recommends the appropriation of $170,320. The most notable feature of the report is that it cuts down the amount of money asked by every one of the twenty-eight state institutions, save the state poultry experiment station at Mountain Grove.

The management of all the state institutions is most highly recommended.

Senator Anderson Craig of Nodaway county has been appointed chairman of the appropriations committee of the state senate. As chairman of this committee of the legislature, he will direct the appropriations to the various state institutions, among them being the State Normal school here.

COLLECTS $88,643 IN TAX

Treasurer Takes in Big Amount for State, County and Infirmary.

A total of $88,643.64 in taxes has been collected by County Treasurer W. R. Tilson the last two months, nearly all of it during December. It is derived from the merchants' occupation tax of $7,104.76; public utility tax of $31,078.67, and a certain portion of the entire county tax on real estate and personal property.

Of this total amount three divisions are made. The state treasury will receive $25,424.59, the county $57,047.58, and the county infirmary alone $6,148.58. The state fund will be sent out either tonight or tomorrow.

This represents nearly the entire amount Treasurer Tilson will receive for the 1914 tax, although there is nearly $800 in merchants' occupation tax outstanding yet, compared to only half that much at that same date last year. It is secured by bonds, however.

Slow to Pay Taxes.

The entire public utility tax is in. This is derived from the three railroads in Nodaway county, and the telegraph and telephone companies doing business within the confines of the county.

The remainder of the county tax is received and reported on by County Clerk Fred J. Yeomans. The totals there for the remainder of the divisions is not yet finished. The report of the various township collectors was slow, many of them failing to turn in collections until the time limit had expired Monday. This was caused by an unusual tardiness this year of property owners in making tax payments.

That the tax derived this year from various sources shows a healthy growth over that of last year is shown through the fact that the merchants' occupation tax last year was but $6,558.97, and the public utility tax was $29,219.56.

The county tax also is larger by several thousand dollars.

FIRST NATIONAL RE-ELECTS.

No Changes at Annual Election—Farmers Trust Company Elects Tomorrow.

No change of officers was made at the annual election held by the First National bank Tuesday afternoon. The present officers are: Joseph Jackson, Sr., president; C. C. Corwin, vice president; S. G. Gillam, vice president; Joseph Jackson, Jr., cashier.

The Farmers Trust company will hold its annual election at 4 o'clock tomorrow afternoon. Few if any changes are expected to be made in the list of officers.

The year of the Real Estate bank will not end until next June. The annual elections of the Nodaway Valley bank are held in April.

Father is Curator.

William Steinhouser of near Stanberry was appointed curator of the estate left in trust for his seven minor children by Probate Judge W. H. Conn this afternoon. There are four sons and three daughters.

QUAKE KILLS 5,000

ITALIAN SHOCK DESTROYS TOWNS IN NORTH PART.

AUSTRIAN LEADER QUITS

One of War's Precipitaters resigns as Foreign Minister—Hungarian to Succeed Him.

Rome, Jan. 14.—The victims of the earthquake disaster, according to the latest reports received here today, number about 5,000 dead and many thousand wounded. Further distinct earth shocks were felt in Rome about 3 o'clock this morning. In several quarters of the city the people fled from their houses in terror.

The shock was the strongest Rome has felt in more than 100 years. The town of Avezzano, in the Abruzzi department, sixty-three miles east of Rome, has been leveled to the ground. In many small towns surrounding Rome buildings were partially wrecked, while at Naples a panic occurred and houses fell at Caserta, a short distance to the east.

From below Naples in the south in Ferrera in the north, a distance of more than 300 miles, and across almost the width of the country, the undulatory movement continued for a considerable period.

Vienna, Austria, Jan. 14.—The resignation of Count Leopold Von Berchtold, as Austrian foreign minister, yesterday, and the appointment of Baron Stephen Burian, a Hungarian, to succeed him, indicates here that the fear of dissolution of the dual monarchy of Austria-Hungary is bridged for the present at least.

It is also believed the dissatisfaction of the Hungarian people forced the retirement of Count Berchtold. He was one of the prime movers in Austria's declaration of war against Servia, the event which finally involved all of Europe.

MRS. JAMES B. MOORE DIES.

Succumbs Last Night to Three Years' Illness—Holds Funeral Tomorrow.

Following an illness of three years, Mrs. James B. Moore, aged 71, died at 9 o'clock last night at the family home, northwest of the city. For the past eight months of her illness Mrs. Moore had been bedfast.

The funeral services will be held at 10:30 o'clock tomorrow morning at the home, conducted by the Rev. Gilbert S. Cox, pastor of the First Methodist church. The body will be interred in the Cain cemetery, beside those of three sons, who died a number of years ago.

Mrs. Moore was born in Ohio. Her maiden name was Susan Coons. After her marriage to Mr. Moore in Ohio, her home was made there for a few years, and in 1878 they came to Nodaway county to reside, and have made their home since that time on a farm about four miles northwest of the city. She is survived by her husband and four sons. The sons are Claude Moore of Maryville, Charles Moore, living at home; John and Albert Moore of Mitchell, Neb. She is also survived by a sister, who lives at Windfall, O.

William A. Moore of St. Joseph, a brother of Mr. Moore, arrived in the city today to attend the funeral.

HIGH SCHOOL PLAYS BENTON

Basket Ball Players Have Final Rehearsal Today for Big Contest Tonight.

All is in readiness for the big basket ball game to be played at the Normal gymnasium, beginning at 8 o'clock tonight, between the Maryville high school basket ball team and the team of the Benton high school at St. Joseph. It will be the opening game of the St. Joseph quintet, while Maryville has played two, both with Albany.

That the local players are in good condition and that they will put up a stubborn fight is the opinion and expression of Prof. H. B. Polson, athletic director at the high school. "I have little doubt but that we will win, though by probably a close score," said Prof. Polson this morning. "But if the showing made the last few days by the local quintet while training are indicative of anything, the Benton team will start their tourney with a defeat."

Practice for Fray Today.

As the high school students were dismissed today on account of it being the end of the first semester, the athletes will put in the time with a final rehearsal for tonight's contest.

These probably will comprise the local team line-up tonight: Jesse Strader, Frey Gray and Kenneth Van and Kenneth Van Cleve, forwards; Cleve, forwards; Homer Scott, center; Harley Hughes, Jesse Miller and Joseph Farmer, guards.

The line-up of the Benton high school team, as given tentatively, will be: Mastellar, center, Lollis and Cole, forwards; McKamey and Utz, guards; Wells and Goodman, substitutes.

H. C. Billman, who has succeeded Walter Hanson, the Normal school athletic director, as coach of the Benton team, and several "rooters" will come here at noon today over the Burlington to attend tonight's game.

Play Tarkio Next.

But one other game has so far been definitely arranged by the Maryville basket ball team. It is to be played with the Tarkio high school team February 6. The teams of the Skidmore, Mound City, King City and Chillicothe high schools are seeking games with the local team, and it is probable several will be granted, especially two with Chillicothe.

The proposed "curtain raiser" at 7 o'clock between the second Normal team and the Guilford team has been called off.

Patients Return Home.

Charles Sanks, an engineer of Creston, Ia., and Mr. and Mrs. Andrew Noakes of Fort Dodge, Ia., who have been spending several weeks at the infirmary of Dr. D. C. Wilson, while being treated for rheumatism, left for their homes today. All are entirely cured of their trouble. d14-w2

"TIZ" EASES TIRED, SORE, SWOLLEN FEET

Nothing Like "TIZ" for Aching, Sweaty Calloused Feet and Corns—"TIZ" is Glorious!

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off. Why don't you get a 25-cent box of "TIZ" from the drug store now and gladden your tortured feet?

"TIZ" makes you feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "TIZ" instantly stops pain in corns, callouses and bunions. "TIZ" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot torture.

FAILS TO REPORT ASSESSMENT.

Lincoln Values Unknown, Though Time Limit is Past—Correct Union Books.

With the time limit expired by several days, M. L. Russell, assessor for Lincoln township, Nodaway county, has so far failed to make any report to County Clerk Fred J. Yeomans of the assessment of Lincoln township property for 1914. No reason for the delay has been advanced by Russell, it is said.

The assessment of Union township property also has had to be corrected in several instances, it is said. Harry Lett is assessor in that township.

With these two exceptions the 1914 township assessments have been reported. Most of them show an increase in both real estate and personal property values.

BREAKS A COLD IN FEW HOURS—TRY IT!

First Dose of Pape's Cold Compound Relieves All the Grippe Misery—Contains no Quinine.

Don't stay stuffed-up!

Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only 25 cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.

Probate Court February 8.

TAKES OFF DANDRUFF HAIR STOPS FALLING.

Girls! Try This! Makes Hair Thick, Glossy, Fluffy, Beautiful—No More Itching Scalp.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Mrs. A. T. Drennon, living north of Pickering, spent the day the guest of Mr. and Mrs. John Young.
